

PLANEWX

The Confidence to Go, or the Courage to Stay.

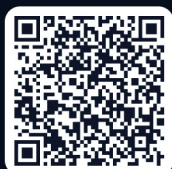

THE PILOT'S DECISION SUPPORT SYSTEM

Enjoy the show. We'll watch the weather.

Set your departure from KOSH — PlaneWX watches the forecast all week and tells you when your window opens.

- **Set KOSH as your home airport.** Get a morning weather update every day of the show.
- **Compare departure day options side by side** — Thursday vs. Friday, with WX scores for every leg.
- **Get email alerts if your window changes.** We watch while you enjoy the show.
